Directions:

Our office is on the south side of Lebanon, ~2.5 miles south of the Hospital. Grace Dermatology is located at 2500 South Main Road (one block west of South Main Street). South Main Rd is basically a continuation of South 2nd Street. We are across the street (west) from the Knothole Market & Gas and are just south of McDonalds.

From Albany: Take Hwy 20 East toward Lebanon (or take Hwy 34, see directions below). Hwy 20 in Lebanon is also called Santiam Hwy or S Main St (the street is so nice, they named it thrice). Follow 20 through Lebanon in the right lane and when you see Safeway and Mega Foods turn right at the traffic light onto S Airport Rd. At the next light get into the left turn lane and take a left onto 2ND. Go 0.3 miles and Grace Dermatology will be on your right (before you hit Walker Rd).

From Corvallis: Take Hwy 34 east toward Lebanon. As you approach Lebanon stay in the right lane as you will be taking the right exit labeled “Denny Sch. Rd” and “Truck Route South and East Only”. Denny school Road becomes Airport Rd. Once off Hwy 34, you will go 3.5 miles and come to your first traffic light at 2ND. Take a right onto 2ND and go 0.3 miles. Grace Dermatology will be on your right before you hit Walker Road.

From Sweet Home: Take Hwy 20 west toward Lebanon. Stay in the left lane and just after you pass Shari’s Restaurant you will be taking a left at the next traffic light. Take a left onto Walker Rd (labeled Dewey St on the right). At the next traffic light, get into the right turn lane and take a right onto S Main Rd. Turn left into the second driveway to arrive at the front side of Grace Dermatology.
